100% COMPOSTABLE AND  
BIODEGRADABLE TABLEWARE

## ABOUT US

ASNA & CO (Shree Shyam Ji Exports) is a leading exporter of premium bagasse-based products, focusing on eco-friendly tableware solutions made from the fibrous by product of sugarcane juice extraction. Committed to sustainability and innovation, we strive to transform the tableware industry by providing biodegradable and compostable alternatives to conventional plastic and paper products.

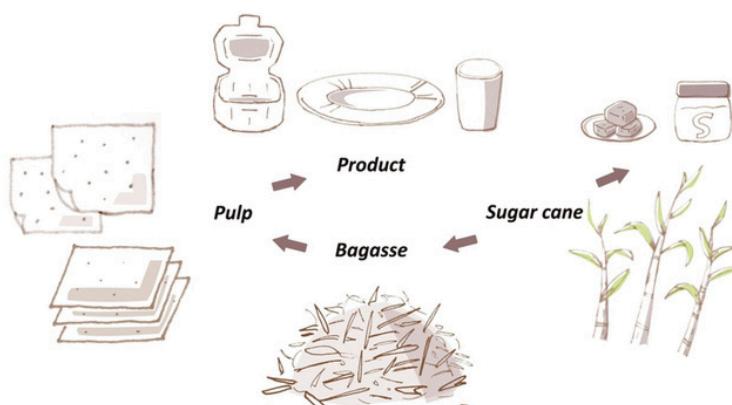

## OUR MISSION

Our mission is to deliver innovative, sustainable bagasse-based tableware solutions that cater to the varied needs of our customers while reducing environmental impact. By repurposing sugarcane waste, we aim to foster a circular economy and create value-added products that pave the way for a greener future.

We are dedicated to providing top-quality products through stringent quality control measures, ensuring they meet or exceed industry standards and customer expectations. Using premium raw materials and advanced machinery, we deliver products known for their consistency, durability, and safety. Our certifications include ISO, FDA approval, and we proudly offer PFAS-free products to support our customers' needs.

## OUR VISION

At ASNA & CO (Shree Shyam Ji Exports), our vision is to lead globally in providing bagasse-based tableware solutions, setting a benchmark in sustainability, innovation, and customer satisfaction. We aspire to create a world where eco-friendly alternatives replace conventional plastic and paper-based tableware for future generations. Through ongoing research, strategic foresight, and a strong focus on customer needs, we aim to transform the tableware industry and inspire a shift toward environmentally responsible practices.

# WHY CHOOSE US?

ASNA & CO (Shree Shyam Ji Exports) offers a healthy solution for your daily consumption needs. Our plant-based tableware is completely plastic-free, certified compostable, and benefits both your well-being and the environment.
